

Gold in the Air of Summer

Kings of Convenience

We like giving anything away
I can say it's by the sea
It's a house that used to be
The home of a friend of mine

We like giving anything away
We find ships inside of bottles
When the garden's overgrown
The house is white, but the paint is coming off

I didn't know if you wanted to
But I came to pick you up
You didn't even hesitate
And now you and me are on our way
I think I've bought everything we need
Don't look back, don't think of the
All the places we should've been
It's a good thing that you came along with me

Gold in the air of summer
You'll shine like gold in the air of summer
You'll shine like gold in the air of summer
You'll shine like gold in the air of summer
