The Weight Of My Words

Kings of Convenience

There are very many things I would like to say to you, But i've lost my way And I've lost my words.

There are very many places I would like to go But I can't find the key To open my door.

The weight of my words-You can't feel it anymore.

The weight of my words-You can't feel it anymore.

There are very many ways I would like to break the spell You've cast upon me.

Because all the time I sacrificed myself To make you want me, Has made you hant me.

The weight of my words You can't feel it anymore...
