

# Be Somebody

Kings of Leon

Taking to the floor with the wheel to the sky  
I loosen my tie, I loosen my tie  
Locking down the door with the rhythm and rhyme  
I loosen my tie, I loosen my tie

Trying to recall what you want me to say  
I shake it your way, I shake it your way  
Counting on the night for a beautiful day  
I shake it your way, I shake it your way  
And I say you can't get enough  
No you can't get enough

Given a chance, I'm gonna be somebody  
If for one dance, I'm gonna be somebody  
Open the door, it's gonna make you love me  
Facing the floor, I'm gonna be somebody

Now is your time and you know where you stand  
With a gun in your hand, with a gun in your hand  
Now I'm no longer an ordinary man  
Was this your big plan, your gun in your hand  
And I say you can't get enough  
No you can't get enough

Given a chance, I'm gonna be somebody  
If for one dance, I'm gonna be somebody  
Open the door, it's gonna make you love me  
Facing the floor, I'm gonna be somebody

Be somebody  
Be somebody
