

Four Kicks

Kings of Leon

Huffman don't take no nonsense
He's here to rectify
He's got his black belt buckle,
And the red man's fire in his eye

You with your switchblade posse,
I'll get my guns from the south,
We'll take to the yard like a cock fight
Four kicks who's strutting now?

This party is overrated,
But there aint shit else to do
She's a lovin' on a boy from the city,
I'll be lovin' him under my shoe
