Pistol of fire
Pistol of fire
Pistol of fire
Shattered the frame

Go hug your sister Go love your sister Go hug your sister One and the same

Higher, where did you want to take me? Higher, where did you want to go? Higher, grabbing up the money it's coming Higher, coming for that rooftop door

I feel the water
Out in the cool grass
Down in the meadow
Under the tree

It's gonna tickle You're gonna giggle It's gonna tickle Pick up her feet

Higher, where did you want to take me? Higher, where did you want to go? Higher, grabbing up the money it's coming Higher, coming for that rooftop door
