Kings of Leon

When the roll is called up yonder  
I hope you see me there

It's in the water, it's where you came from  
It's in the water, it's where you came from

When the crowd begins to wonder  
And they cry to see your face

It's in the water, it's in the story, of where you came from  
Your sons and daughters, in all their glory, it's gonna shape her  
And when they clash and come together, and start rising  
Just drink the water where you came from, where you came from

So the roll it was called from yonder  
Never sold yourself away

It's in the water, it's in the story, it's where you came from  
The sons and daughters, in all their glory, it's gonna shape them  
And when they clash and come together, and start rising  
Just drink the water, where you came from, where you came from

And when they clash and come together, and start rising  
Just drink the water, where you came from, where you came from
