

# Rock City

Kings of Leon

I was running through the desert  
I was looking for drugs,  
And I was searching for a woman  
Who was willing to love,  
So I could take her like a woman.  
Yeah take her like a woman.

I was looking for a bad girl  
Looking for a bad boy,  
Someone who could take all the night away.  
Oh baby I could shake it like a woman.  
Yeah shake it like a woman.

I got the eyes on me of a jealous man,  
And if you're looking to run  
Well then you've already ran.  
I break down like a woman.  
I break down like a woman.

I go back to Rock City,  
That's where she saw me,  
Everybody's seen her,  
Everyone believes me.

I've been several miles and plenty more,  
And I found myself face-first on the floor,  
Searching for something.  
But never finding something.

And I don't know where I belong,  
I'm just trying to get myself back home  
And get a little work,  
Yeah find my little woman.

I go back to Rock City,  
That's where she saw me,  
Everybody's seen her,  
Everyone believes me.

Oh my my, oh my my, oh my my.  
I need to find something.  
I'm searching for something.

I go back to Rock City,  
That's where she saw me,  
Everybody's seen her,  
Everyone believes me.

I go back to Rock City,  
That's where she saw me,  
Everybody's seen her,  
Everyone believes me.
