

Supersoaker

Kings of Leon

[Verse 1:]

My motivation has gone too soon
Good vibrations all over you
Act like you mean it, you mean it
You've got a story you never tell
Down in the delta I'm ringing bells
I've never seen it, seen it
Back of my mind I'm on my way
I see through smiles on every face
I don't believe it, believe it

[Pre-Chorus:]

Cause I'm a supersoaker red, white,
And blew em all away
With the kisses unclean
as the words that you say

[Chorus:]

I don't mind sentimental girls at times
Mister walk away, walk away

[Verse 2:]

The flags are flying across the plains
I've got a secret picking at my brain
I wanna see you, see you
The exit sign is on my face
Don't know my home, I don't know my place
I just wanna be there, be there

[Pre-Chorus]

[Chorus 2x]

I don't mind sentimental girls at times
I just lay it on the line, on the line

[Chorus 2x]
