

# Takin It Back

Kingspade

We never givin up  
We never gonna quit  
As long as people are gettin high  
Kingspades gonna ride

U need to pack another rip  
Cause we back n we snappin shit  
D-loc n johnny ric kingspade u catch a flower quick  
It's subnoize when it's wrapped up in bundle  
Smoke buds everyday kick back with johnny richter  
Stay high like snoop dogg u get da picture redman,  
Cypress hill, x-clan got blunts dawg we plan kottonmouth  
To live so light it up roll it up

Dats right? we on top of our game  
I spent alot of time fuckin now I finally came  
10 years in da makin oh wat a suprise  
N da fellin that I get is that I finally arrived  
We got a big chunk of bread  
N now there's crumbs everywhere  
This subnoize family is gettin bigger every year  
There's no sign of slowin down so u better be ready  
Cause we're comin

Dats right

Yea we still rock mic shit we can't fuck with em bottles  
Go on PTB break shit off like there el coackran  
Take shots like captain drink beer like pirates  
Lay low smoke bud kick flows u know the underground shit  
D-loc n johnny richter on a hill like a sidekick  
U hit me dawg we hit u back n we spinin on our ride  
On the flo we hit the studio droppin through everybody know

I got the scar n his name tatted on his back  
Settin off smoke alarms cause we burnin that fat  
N we don't give a fuck cause our plan is a plaque  
It's the way we fell about it please try n understand  
We ain't the type of people tryin to rock the boat  
But we are the type of people that jus love to toat  
So let us do our thing n you goin to do your thing  
We can boost in together come n join out team come on

So anybody that's unhappy with us so forget em  
Cause the rocks dat we got is spittin pure venom

Yea dawg we gon get em don't get bite by the snake  
This thing can attack from the back I bet u feel my pain

Hardcore to the brain I bet it make your head spin  
U know I got the futuristic bud call me johnny jetson

Call me double dash n u know I'm the incredible  
Everlating u need to take a hit of my dro

Now hold it in for a long time n jus watch  
As your mind starts to melt n your eyes jus drop

As your mind starts to melt n your brain slows down  
Can u feel the effects of the high
