

I'm Not The One

Kingston Wall

Somethings happening all the time
But you don't know what it's all about

Somethings happening all the time
But you don't know what it's all about

"I'm not the one to blame, not the one to blame"

"I'm not the one to blame, not the one to blame"

"And I don't think it's fair enough, it's not fair enough"

"And I don't think it's fair enough, it's not fair enough"

"I'm not the one to blame, not the one to blame"

"And I don't think it's fair enough, it's not fair enough"
