

# Comeback Kid

Kip Moore

I'm a new used car with a couple dents  
And I'll get where I'm going  
Cause I know where I've been  
When it all goes south, I'm gonna rise again  
Just call me the comeback kid

I'm a hail Mary pass on homecoming night  
Six points down with the clock ticking by  
Come hell or high water I still believe I can win  
Just call me the comeback kid

Oh, oh, oh  
Girl I'm glad that you never did  
Oh, oh, oh  
Lose faith in this comeback kid

Baby, all life's bullets I've took to the chest  
Should've buried me alive, should've left me dead  
But when I reach for that white flag  
You won't let me quit  
And you call me the comeback kid

Oh, oh, oh  
Girl I'm glad that you never did  
Oh, oh, oh  
Lose faith in this comeback kid

Someday I'm gonna get you that white picket fence  
And that little pink house just like Mellencamp said  
Cause I want to taste the good life  
Before the Lord puts us to bed

Girl keep holding on, keep hangin' in  
Oh, oh, oh  
Don't ever do what you never did  
Oh, oh, oh  
Don't give up on this comeback kid  
Oh, oh, oh  
Girl, I'm glad that you never did  
Oh, oh, oh  
Lose faith in this comeback kid

Just keep holding on  
Just keep holding on  
Just keep holding on
