

I've Been Around

Kip Moore

LA backstage, dranked a little Kool-Aid
Smoked a cigarette with Slash
I flew to Rome had coffee with the Pope
Talked about Johnny Cash
I've hung out with supermodels
Drank wine from thousand dollar bottles

Well I've been a lot of places
Kissed a lot of faces, every city, every town
Kinda like the wind, ask me where I've been
I'll tell you that I've been around
Yeah, I'll tell you that I've been around

Name tag Alice diner down in Dallas
Hottest cup of coffee around
She shakes that apron brings me maple bacon
Every time I come to town
Now I met sweet Hannah Dauphin, Alabama
Riding as the peanut queen
The way that sash draped around her ass
Was the cutest thing I'd ever seen
I've been covered up in peaches
Down home Georgia's dirty beaches

Well I've been a lot of places
Kissed a lot of faces, every city, every town
Kinda like the wind ask me where I've been
I'll tell you that I've been around
Yeah, I'll tell you that I've been around

Well I come from Georgia, ninety miles from Florida left there
when I turned eighteen
Mama asked "Son when you coming back" but there's still you've
got a lot to see
So I'll spend nights at the Crowne Plaza
But I'll feel right at home at the Ramada

Yeah baby hah

Well I've been a lot of places
Kissed a lot of faces, every city, every town
Kinda like the wind ask me where I've been I'll tell you that I
've been around
Yeah, I'll tell you that I've been around
Yeah, I'll tell you that I've been around
