

Motorcycle

Kip Moore

The sky, don't think that I've seen it this bright
It's a perfect night to go for a ride
Stars are lined up for you and I

I know, I know you got a boyfriend but so
Don't tell him girl and he'll never know
I'll be there at five, baby, be ready to go

'Cause oh, oh, oh, I got a motorcycle baby
Oh, oh, oh, come on take a ride with me
Oh, oh, oh, I promise you a hell of a ride
'Cause I got a motorcycle tonight

I won't crash and I promise not to drive too fast
I'll be sure the ride is smooth on your ass
No time to waste, girl this night won't last

'Cause oh, oh, oh, I got a motorcycle baby
Oh, oh, oh, come on take a ride with me
Oh, oh, oh, I promise you a hell of a ride
'Cause I got a motorcycle tonight

Come on girl, it ain't a crime
Ain't talking 'bout a lifetime
Everything will be alright baby wrap your legs
around me tight

'Cause oh, oh, oh, I got a motorcycle baby
Oh, oh, oh, come on take a ride with me
Oh, oh, oh, I promise you a hell of a ride
'Cause I got a motorcycle tonight

'Cause oh, oh, oh, I got a motorcycle baby
Oh, oh, oh, come on take a ride with me
Oh, oh, oh, I promise you a hell of a ride
'Cause I got a motorcycle tonight

Yeah, eh
Everything will be alright just wrap your legs and hold on tight

Got a motorcycle tonight
