

Try Again

Kip Moore

Well hey, hey, hey there pretty thing
I got a brand new song I'm dying to sing
I hope it gets a hold of your soul like an old church hymn
But if it don't I'll try again

Baby I'll try, try, try, no I won't quit
I'll fight, fight, fight you can count on it
To the moon and back, through the highs and lows
To win your love, girl just know
I'll try try try, then I'll try again

Most girls don't stand a chance
To make me move my two left feet to dance
That's what you want, girl I'm all in
Lord knows I'll get it wrong, but I'll try again

Baby I'll try, try, try, no I won't quit
I'll fight, fight, fight you can count on it
To the moon and back, through the highs and lows
To win your love, girl just know
I'll try try try, then I'll try again

Every time I kiss your lips
I'll give it all I get so you won't forget
If on first glance I don't win
Your Mama, your Daddy, your cousin, your granny or your girlfriends

Baby I'll try, try, try, no I won't quit
I'll fight, fight, fight you can count on it
To the moon and back, through the highs and lows
To win your love, girl just know
I'll try try try, then I'll try again

If you and I don't get it right
I'll come and find you in the next life

Baby I'll try, try, try, no I won't quit
I'll try, try, try, then I'll try again

I'll try, I'll try, I'll try, I'll try again
I'll try, I'll try, I'll try, I'll try again
