

# Dangerously Obvious

Kira Isabella

You walked in,  
I could see it from a mile away,  
It takes one to know one,  
Don't it babe,

Gypsy soul,  
And you don't try to hide it,  
You couldn't if you wanted to anyway,

And I don't even care that I don't know your name,  
But I'm pulled like a magnet I'm locked to a flame,  
Say the word and I'm there,  
Cuz baby with us its so obviously dangerous,  
And dangerously obvious,

It's the eyes,  
Always a dead give away,  
Restless doesn't try and hide itself,  
But tonight,  
Boy let's plan our getaway,  
And give this town a story to tell,

And I don't even care that I don't know your name,  
But I'm pulled like a magnet I'm locked to a flame,  
Say the word and I'm there,  
Cuz baby with us its so obviously dangerous,  
And dangerously obvious,

Let's run away,  
And give ourselves to the mind,  
Don't want to slow down til we see sun rise,  
I know it's wrong but it feels so right,

And I don't even care that I don't know your name,  
But I'm pulled like a magnet I'm locked a flame,  
Say the word and I'm there,  
Cuz baby with us its so obviously dangerous,  
and dangerously obvious,

And I don't even care that I don't know your name,  
But I'm pulled like a magnet I'm locked to a flame,  
Say the word and I'm there,  
Cuz baby with us its so obviously dangerous,  
and dangerously obvious.
