

# Make A Sinner Out Of Me

Kira Isabella

You're gonna make a sinner out of me  
Cause every time I close my eyes  
To say a little prayer  
I'm right there with your lips on mine

Starin' at the cross  
Sittin' here in church  
Preacher's going on about something  
But I can't even hear a single word  
Thinkin' bout last night  
Being in your arms  
Playing back the moment  
When you pulled me closer to you in the dark

You're gonna make a sinner out of me  
Cause every time I close my eyes  
To say a little prayer  
I'm right there with your lips on mine  
You're whispering "I love you"  
And I don't want you to go  
I'm drinkin' you in  
You're touchin' my skin, soft and slow  
You're gonna make a sinner out of me

Momma taught me young  
The right from the wrong  
The bad from the good, the shouldn't from the should  
And the weak from the strong  
But when you kiss me boy  
It all goes away  
I could sell my soul and be glad that I sold it  
Every single day

You're gonna make a sinner out of me  
Cause every time I close my eyes  
To say a little prayer  
I'm right there with your lips on mine  
You're whispering "I love you"  
And I don't want you to go  
I'm drinkin' you in  
You're touchin' my skin, soft and slow  
Boy I still believe  
But you're gonna make a sinner out of me

Oh Lord you've gotta help me  
His blue eyes are about to melt me  
Please give me strength to hold on

Boy you're gonna make a sinner out of me  
Cause every time I close my eyes  
To say a little prayer  
I'm right there with your lips on mine  
You're whispering "I love you"  
And I don't want you to go  
I'm drinkin' you in  
You're touchin' my skin, soft and slow  
Boy I still believe

Oh, I still believe  
But you're gonna make a sinner out of me  
You're gonna make a sinner out of me
