A God Like You

Kirk Franklin

Everybody wanna be like you they
Want power and praise like you but
See there's no god like our God
There's no one like you
Who gave their life like you and
Who paid our price like you see
There's only one god that's our God
There's no one like you.

Who can touch like you
Or heal us like you do
We stumble and we stray
Still you always get us through
Who makes all things new
And comes to our rescue
Death, hell, and the grave
They could not conquer you

You became just like me
To unlock and set free
This prisoner was deeply wounded and redeemed
The me I could not see

Everybody wanna be like you they
Want power and praise like you but
See there's no god like our God
There's no one like you
Who gave their life like you and
Who paid our price like you see
There's only one god that's our God
There's no one like you.

Some may worship things
But what joy do they bring
They try and hide the stains
But can they set us free
See where would we be
Without Calvary
A king upon a tree
So the whole world can see

You became just like me
To unlock and set free
This prisoner was deeply wounded and redeemed
The me I could not see

Everybody wanna be like you they
Want power and praise like you but
See there's no god like our God
There's no one like
Who gave their life like you and
Who paid our price like you see
There's only one god that's our God
There's no one like you.

Healer, father, savior
Counselor, friend, provider
