Kirk Franklin

I know the pain you feel inside
And the tears you try to hide
In your heart you ask God why
Can you help me, will you help me please
Take away the pain
Where's the sun I feel the rain.
Then I hear your spirit say...That I am

Free
Free to lift my hands
Free to say Amen
Free to know that someday I will smile again
I'm free
Free to laugh not cry
Free to live not die
Because of your love
I'm free

I know you're troubled by your past
And you hide behind your mask
The misery it seems to last
Through the night but it's alright
Joy is just a prayer away
Don't look back at yesterday
Then hear your spirit say
That I am

Free
Free to lift my hands

Free to say Amen
Free to know that someday I will smile again
I'm free
Free to laugh not cry
Free to live not die
Because of your love
I'm Free

No more chains and loneliness
For Christ has set me free
For we are more than conquerors
Through his love now I can see
That I am

Free
Free to lift my hands
Free to say Amen
Free to know that someday I will smile again
I'm free
Free to laugh not cry
Free to live not die
Because of your love
I'm Free
