Looking For You

Kirk Franklin

I've been down so long, I've been hurt for so long, There were times I thought I would never see the break of day. It was hard for me, to see your plan for me And I tried to believe surely it won't last always But night after night, (Night after night, Night after night) I pray Lord don't take your joy from me Then late one night I read in your love letter that it's gonna get better Don't cha know that I've been looking for you I realized that nothing else will satisfy me I'm so glad I found you Now that I'm changed no one can keep me away from you And my enemies, tried to come for me And they thought that my world was coming to an end All the while you knew That I would make it through I feel closer to you now than when I first began Jesus you are, (Jesus you are, Jesus you are) You are my sun right after the rain Wherever you are I just wanna be near you I'm so glad I can hear you Don't cha know that I've been looking for you I realized that nothing else will satisfy me I'm so glad I found you Now that I'm changed no one can keep me away from you (2x) Ohoh Ohohoh Ohoh Ohohoh Ohoh Ohohoh Ohoh Ohohoh Jesus you are, (Jesus you are, Jesus you are) You are my sun right after the rain Wherever you are I just wanna be near you I so glad I found you Don't cha know that I've been looking for you I realized that nothing else will satisfy me I'm so glad I found you Now that I'm changed no one can keep me away from you (2x) Ohoh Ohohoh (ohoho) Ohoh Ohohoh (ohoho) Ohoh Ohohoh (ohoho) Ohoh Ohohoh (ohoho)
