More Than I Can Bear

I've gone through the fire And I've been through the flood I've been broken into pieces Seen lightnin' flashin' from above But through it all I remember That He loves me And He cares And He cares And He'll never put more on me Than I can bear

I said Never put more on me No no Never put more on me Unh unh Never put more on me Never His word said He won't I believe it I recieve it I claim it It's mine No he'll never Put more on me Than I can bear Can bear
