

Pray for me

Kirk Franklin

Pray for me, I'm afraid that I'm about to lose it all
Pray for me, I don't need gravity for tears to fall
You can keep your fancy words and your coloured lies
Nothing super-spiritual not this time, just pray for me
Cause judging me is not helping me to grow
Pray for me, see the wrong I've done I already know
Will you love me if I'm dirty and I've lost my way
Till the blood is washed me white and I'm no longer grey
If I don't need your approval will you let me stay, and pray for me

Pray for me (3x)
Pray for me
Please pray for me
Let's pray!

Our Father who art in heaven, hallowed be thy name
Thy kingdom come, thy will be done on earth as it in heaven
Give us our daily bread, and forgive us our trespasses
As we forgive those who have trespassed against us
Lord lead us not into temptation but deliver us
From evil for thine is thy kingdom, power and the glory forever
We are asking (We are asking you to)

Pray for me!
(Listen close, you can hear the world crying)
Pray for me!
(They are saying don't talk about me, don't judge me just get down on your knees and)
Pray for me!
(We wanna be greater, we wanna be stronger but help us please)
Pray for me!
(The only way I can make it through the day)

Pray for me
I'm afraid that I'm about to lose it all
