

Real Love

Kirk Franklin

Look in my eyes and you will see
The way real love used to be
When the flowers bloomed in the spring time
And happiness was all mine
It's hard to let my feelings show
But I've got to let somebody know
About the love that Jesus has given me
He loosed my shackles and set me free

Is this a dream or is it reality?
Have I finally found someone who loves me?
I just want to know

Have you ever loved somebody
Will you ever love somebody
The way that Jesus loves you

Over and over I ask myself
Could there ever be anyone else

Who can give me so much joy and peace
And make everyday oh so sweet
I searched all over couldn't find one
Til I met His only begotten Son
At first I didn't understand
Until I saw the nailprints in His hand

Is this a dream or is it reality?
Have I finally found someone who loves me?
I just want to know
I just want to know
I just want to know

He loves me
