

Speak To Me

Kirk Franklin

Speak to me Lord Jesus
We need to hear from You
If You don't speak Lord Jesus
We don't know what to do
(2x)

Me wake up in the morning
And me see the bright sunshine
Living without You Jesus
I would have no peace of mind
You name I keep on callin'
Like a melody so sweet
If I could touch the hem of Your garment
My life would be complete
Everybody say!

Speak to me Lord Jesus
We need to hear from You
If You don't speak Lord Jesus
We don't know what to do
(2x)

Speak to me
Oh, speak to me

Talk to me
Oh, talk to me

Shout with me
Oh, shout with me

Walk with me
Oh, walk with me
