Whatcha Lookin' 4

Kirk Franklin

I was searchin' For someone to love me right Hear me when I cry Keep me late at night Jesus came even in my misery Wipe the tears from my eyes This is what He said

Whatcha' lookin' 4 I'm the One you're lookin' 4 What you're searchin' 4 You don't have to search no further Give you peace and joy Fill your life with happiness Don't you look no more 'Cause I'm the One you're lookin' 4

L-O-V-E love never meant that much to me 'Til I saw your face I felt amazing grace But in the midnight hour When I held my pillow tight He wiped the tears so I could see

This is what He said

Whatcha' lookin' 4 I'm the One you're lookin' 4 What you're searchin' 4 You don't have to search no further Give you peace and joy Fill your life with happiness Don't you look no more 'Cause I'm the One you're lookin' 4

I never knew love could be so sweet The joy You give to me Peace and harmony I love You so More than you'll ever know What is this that I found, that Never, never lets me down

Whatcha' lookin' 4 I'm the One you're lookin' 4 What you're searchin' 4 You don't have to search no further Give you peace and joy Fill your life with happiness Don't you look no more 'Cause I'm the One you're lookin' 4

What you want I've got it What you need, I'm the One you're lookin' 4 It's yours I^{štěno}the One^p You're lookin' 4
