For my old G's, for the young G's,  
For them real niggas for the trill niggas  
Everywhere that I go I'm gon' hold it down  
For the city main, gotta get it main I'm coming down  
I'm gripping grain, I'm drippin pain  
You know I hold it down  
For my old G's, for the young G's,  
For them real niggas for the trill niggas  
Everywhere that I go I'm gon' hold it down  
For the city main, gotta get it main I'm coming down
