

Laid Back

Kirko Bangz

I gots to act real bad
Treat my bitch real good
And free my niggas up
And bring them back to the hood
And fuck the niggas mayne that put them up to no good
I will free my nigga Raw and bring him back
But sit it will only take
One Time One time one time
One time one time
They wanna see a nigga going down
Going down going down going down going down shi
And see these boys don't understand it when you coming down on candy
Because everybody want it but don't know how to plan it
Out of most of those that hoop you would be the most that be ready
Most niggas don't make because most nigga ain't ready
See the streets got them locked
Young niggas on the block
Walking around with a couple hundreds in they socks
I remember when niggas would used to compete to the top
Instead of selling they souls these niggas weak in they bocks
See when I pull up I'm candy painted
These niggas they animated
I'm clean I'm phantomphated
These bitch contaminated
I know they all around for me haha
But the bitch getting down for me
It's like God ain't got time for me
He never picking up the line for me
But I got to hold it down for me
And everybody love the sound from me

Cause I got that lay back
Nigga roll that
Smoke that
See you way back
Let me pull that pull that
I got that lay back I got that lay back
Nigga know I got that lay back
Nigga roll that
Smoke that
See you way back
Let me pull that pull that
I got that lay back I got that lay back

See ni say where will I be in about 10 years
I say I don't give a fuck as long as I ain't here
Kepp progressing my nigga
I be stressing my nigga
But it's a blessing my nigga to be progressing my ni
So bring that hennessy to me
And give my niggas the weed
And girl you gotta be fucking with them before you fucking with me
And sh when you try to fucking with me
I'll be gone in my sleep
And it's that plan I got to make for the east huh

Cause I got that lay back

Nigga roll that
Smoke that
See you way back
Let me pull that pull that
I got that lay back I got that lay back
Nigga know I got that lay back
Nigga roll that
Smoke that
See you way back
Let me pull that pull that
I got that lay back I got that lay back

See these boys can stand me
Hoes can't ban me
Girls fall in love because these hoes can't stand me
I used to brandy after school eating candy
Now I'm in the same building with moesha and her family
You can't tell me I ain't real
Tell you how I feel
Making a million dollars off of my first record deal
Put my momma in some heels
My brother on some wheels
Helped my sister through college that's trill

Cause I got that lay back
Nigga roll that
Smoke that
See you way back
Let me pull that pull that
I got that lay back I got that lay back
Nigga know I got that lay back
Nigga roll that
Smoke that
See you way back
Let me pull that pull that
I got that lay back I got that lay back
