

## Old Ways

Kirko Bangz

I say lately we ain't been agreeing on some thangs  
I ain't tryna sit around and hear yo shit all day  
Ain't tryna hear about the shoes you want and I ain't tryna give you no change  
And I ain't tryna be rude to you but bitch get out of my face  
And I miss all the good times playing dominoes and spades  
I know we gon have bad times but girl I ain't been doing the wrong thang  
You know a nigga been good to you  
And everything that you need then I give it to you (give it to you)  
But I ain't got time for no ungrateful bitches like you, I ain't even got no time to fight you  
And I ain't got time for yo ass straight bitching at me, man I swear I'm starting not to like you  
I'm only 23 and I ain't got time for no bitch telling me when to be home  
I'm only 23 bitch don't tell me how to spend my money when I'm the one that bring it home

Tonight I'm going back to my old ways  
Tonight I'm going back to my old ways  
It feel good to be right back in my old lane  
Tonight I'm going back to my old ways

Tonight I'm about to piss you off and I'm a fuck a bitch cause you won't stop fucking with me  
Tonight I'm about to piss you off and I'm a call your friend and I'm a tell her fuck with a G  
You say you want some food so I went to get you some but I forgot to say no cheese  
So you ain't gon eat? What the fuck you mean?  
Then I'm a wrap it up, I'm a take it right back, give me my keys I'm a hop in the lac  
You could take you a shower, hop in the bed, girl don't worry I'm a be right back  
But I gotta stop cause my car on E  
These girls keep calling me, and if I answer the phone, you won't stop calling me  
It's like girls always know when you doing something wrong and girls always know when a bitch in her home  
But girls they don't know how to fuck with a nigga like me  
I been tripping lately but tonight I'm a show you I'm a G

Tonight I'm going back to my old ways  
Tonight I'm going back to my old ways  
It feel good to be right back in my old lane  
Tonight I'm going back to my old ways
