

Best Friend (English)

Kiroro

I don't have to worry anymore, cause you will be by my side when I cry
You always smile at me
I am blessed because you always shine before me
Things that we have missed hastily at time, that's the way it is
Faces that always being looked at
Forever hugging each other
Your smile has helped me endless time, you know
Thank you thank you Best Friend

These plenty happiness that I felt at this moment
All the friends that I have here, you the best present
I am blessed because you always be by our side
Surely things that I have accomplished here, those things too give me strength (change to strength)
Faces that always being looked at
Forever hugging each other
All of your smile has helped me endless time, you know
Thank you thank you Best Friend

Things that we have missed hastily at time, that's the way it is
Faces that always being looked at
Forever hugging each other
Your smile has helped me endless time, you know
Thank you thank you Best Friend

Always always always my Best Friend
