

# Just Be Me

Kirsty Hawkshaw

Travel the world  
Don't you come run away  
From the person you are in your heart  
You can be who you want to be  
Make us believe in you  
Keep all your light in the dark  
Be searching for truth  
You must look in the mirror  
And make sense what you can see

Just be--  
Just be

They say learning to love yourself  
Is the first step that you take  
When you want to be real  
Flying on planes to exotic locations  
Won't teach you how you really feel  
Face up to the fact  
That you are who you are  
And nothing can change that  
I believe

Just be--  
Just be

Cause now I know  
It's not so far  
To where I go  
That I am spared  
It's inside me--  
To just be  
Just be  
Just be

I was lost  
And I'm still lost  
But I feel so  
Much better

Cause now I know  
It's not so far  
To where I go  
That I am spared  
It's inside me--  
To just be  
Just be

And flying on planes to exotic locations  
Won't teach you how you really feel

Just be--  
Just be
