

Just Be

Kirsty Hawkshaw

You could travel a world
But you can't runaway
From the person
You are in your heart

You could be
Who you want to be
Make us believe in you
Keep all your light in the dark

If you're searching for the truth
You must look in the mirror
And make sense
Of what you can see

Just be

Just be

They say learning
To love yourself
Is the first step that you take
When you want to be real

Flying on planes
To exotic locations
Won't teach you
How beauty feels

Face up to the fact
That you are
Who you are
And nothing can change that belief

Just be

Just be

Cause now I know
It's not so far
To where I go
That I respond
It's inside me

I need to just be
Just be

Just be

Just be

Just be

I was lost and I'm still lost
But I feel so much better

Cause now I know

It's not so far
To where I go
That I respond
It's inside me

I need to just be
Just be
