

You And Me Baby

Kirsty MacColl

Will you start my dreams
Or will you end my schemes
Or will you let me go down, so low?

You and me baby, well we got no friends
Except for you and me baby
This is journey's end
And I try to hang on to all those precious smiles
But I'm tired of walking and it must be miles

Every time I took you hand
I felt so moved
Did you feel it too?

You and me baby, well we got no friends
Except for you and me baby
This is journey's end
And I try to hang on to all those precious words
But they don't come easy
No I know they hurt
You and me baby, well we help each other
And I'll be your sister if you'll be my brother and
We won't be parted
And we will be friends
'Cause it's you and me baby and
It's journey's end

Every time I took your hand
I had a first class ticket
To the promised land

Rosebud, oh rosebud
He turned to me and wept
A vaguely coded message
I could never intercept

You and me baby, well we got no friends
Except for you and me baby
This is journey's end
You and me baby, well we help each other
And I'll be your sister
If you'll be my brother
