Kiss Kiss

If you find Strength in The Sea  
Choke on the Waters of my Enemy  
Its Time.

Time, To Show the Machines  
How We all Breathe  
Let Them Inside  
To Manage our Dreams  
Show the Machines

If you Find Strength in The Death  
Of Innocents Bottle the Soul you Have Left  
Its Your Time

Time, To Show the Machines  
How We all Breathe  
Let Them Inside  
To Manage our Dreams  
Show the Machines  
A Chip on the Flesh  
Well its My Circuitry  
Let them Inside  
To Manage our Dreams X2

Then I saw the Cuts on Your Arms  
I Guess your Bored and you need to Bleed  
Hari Kari Sideshows can Be So

And I Saw the Streets Where We Played
