

# Comin' Home

Kiss

It's been a month or two since I was sleepin' with you  
I'm comin' home again  
I've been to east and west, but baby I like best  
The lovin' used to you

Oh girl, it seems the whole wide world

seems to say  
Hotels that all look the same

Just seem to drive me insane  
But I can't get away  
Until I receive a call that tells me that will be all  
And then I hop a plane

It's true, I'm not sure if you knew  
I'm comin' home to you

Oh girl, it seems the whole wide world

seems to say  
Hotels that all look the same

Just seem to drive me insane  
But I can't get away  
Until I receive a call that tells me that will be all  
And then I hop a plane

It's true, I'm not sure if you knew  
I'm comin' home to you

I'm comin' home to you

I'm comin' home to you

I'm comin' home, baby
