

# Do You Love Me?

Kiss

You really like my limosine  
You like the way the wheels roll  
You like my seven inch leather heels  
And goin' to all of the shows, but  
Do you love me?  
Do you love me?  
Do you love me?  
Really love me  
You like the credit cards and private planes  
Money can really take you far  
You like the hotels and fancy clothes  
And the sound of electric guitars, but  
Do you love me?  
Do you love me?  
Do you love me?  
I mean like, do you really love me?  
You really like rock 'n' roll  
All of the fame and the masquerade  
You like the concerts and studios  
And all the money, honey, that I make, but  
Do you love me?  
Do you love me?  
Do you love me?  
Really love me  
Your backstage pass and black sunglasses  
Make you look just like a queen  
Even the fans, they know your face  
From all of the magazines, but  
Do you love me? do you love me?  
Do you love me? do you love me?  
Do you love me? do you love me?  
Really love me really love me  
I wanna know, do you love me? do you love me?  
Do you love me? do you love me?  
Do you love me? do you love me?  
I mean like, do you really love me? really love me  
I wanna know, do you love me? do you love me?  
Do you love me? do you love me?  
Do you love me? do you love me?  
I mean like, do you really love me? really love me  
I want you to do you love me, do you love me  
I need you to do you love me, do you love me  
And you know I'm so tired of everybody sayin' it  
And you know, do you love me, do you love me  
I just gotta know if you really really really, really love me  
do you love me, do you love me  
So come on, do you love me do you love me  
I need you to  
Do you love me do you love me I want you to  
Do you love me do you love me I need you  
Really love me do you love me  
I wanna know  
Do you love me do you love me do you, do you  
Do you love me do you love me  
I just got to have some love do you love me, do you love me  
I just got to have some love do you love me  
I just got to have some love, love, love, love, love
