Every Time I Look at You

Kiss

```
Tried to say I'm sorry
Didn't mean to break your heart
And find you waitin'up by the light of day
There's a lot I want to tell you
But I don't know where to start
And I don't know what I'd do if you walked away

Ohh, baby I tried to make it
I just got lost along the way

R: But everytime I look at you
   No matter what I'm going thru
   It's easy to see
   And everytime I hold you
   The things I never told you
   Seem to come easily

   'Cause you're everything to me

I never really wanted
To let you get inside my heart
I wanted to believe this would soon be ending
I thought it wouldn't matter
If it all just came apart
But, now I realized I was just pretending

Ooh, baby, I know I hurt you
But you can still believe in me

R: But everytime...

It's gonna take a little tiime to show you
Just what you mean to me, oh yeah
It seems the more I get to know you
The more I need to make you see, you're everything
I need, yeah

need ya I need ya I need ya I need ya

Baby baby I know I hurt you
But you can still believe in me

Cause everytime I look at you
No matter what I'm going trhu
Its' easy to see
And every time I hold you
The things I never told you
Seems to come easily
'Cause your every thing to me
Your every thing to me
