

# Hell Or Hallelujah

Kiss

I rode the highway to heartache  
I took a trip on the ship of fools, woah yeah!  
And I've paid the price to have my way  
Cause my way breaks the rules, yeah!

Sing it!  
Lay down!  
I'm looking through ya'  
Stay down!  
You got what you should  
Hey now!  
I'll make you number one, it feels good!

Hell or hallelujah!  
No matter what you do, I'm running through ya'  
Yeah!

You said that lust never lasted  
We surrender our hearts to fools, yeah!  
Turns out there's nobody askin'  
This time I get to choose!

Lemme hear ya!  
Lay down!  
Don't say you're sorry  
Stay down!  
I knew that you would  
Hey now!  
Don't say you're misunderstood, it feels good

Hell or hallelujah!  
No matter what you do, I'm running through ya'  
One more time!  
Hell or hallelujah!  
C'mon c'mon  
The rest is up to you  
It's overdue, yeah

Listen!  
One heart is breakin'  
One chance I'm takin'  
No lie, no fakin'  
Goodbye, feels like it should!  
It feels good!

Oh yeah

Hey, one heart is breakin'  
One chance I'm takin'  
No lie, no fakin'  
Goodbye, feels like it should!

Yeah, lemme tell ya' how it feels... it feels good!

Hell or hallelujah!  
No matter what you do, I'm running through ya'  
C'mon c'mon

Hell or hallelujah!  
The rest is up to you  
It's overdue, yeah
