I know just where you come from Where all your yesterday's are gone And now you're done But you've only just begun It's time you opened up the door And now it's all very clear This journey of 1,000 years

Can you feel it coming
Can you hear the sound
Can you feel it coming
Or is it the roar of the crowd
Can you feel it coming
Can you hear it
Or is it the roar of the crowd

Did you sleep without dreams Did you fly without wings Did you touch without feel Where nothing is real Did you feel it coming Did you hear it

Or was it the roar of the crowd
