

## Kissin' Time

Kiss

Come on, Charlotte  
Wake up, San Diego, Milwaukee, Miami  
Put your two lips together and kiss

We're kissin' in Cleveland and Cincinnati, too  
Way out in Chicago, I'll tell you what to do  
They party all over, even in St. Lou'  
So, baby, get ready and I'll be kissin' you

Woah, 'cause anytime is kissin' time, USA  
So treat me right, don't make me fight  
And we'll rock and roll tonight

We're kissin' in Dallas and Philly's goin' wild  
So let's kiss, Atlanta, ho, you know we'll make it smile  
We love the women way down in Tennessee  
So baby come on now and start a-kissin' me, yeah

Woah, 'cause anytime is kissin' time, USA  
So treat me right, don't make me fight  
And we'll rock and roll tonight

Kiss all of Seattle, L.A. to Baltimore  
You know we been kissin' in Frisco, so lets kiss some more  
Let's do it in Detroit, they all know the score  
So, baby, oh, baby, what are we waitin' for?

Woah, 'cause anytime is kissin' time, USA  
So treat me right, don't make me fight  
And we'll rock and roll tonight

Woah, 'cause anytime is kissin' time, USA  
So treat me right, don't make me fight  
And we'll rock and roll tonight

Woah, 'cause anytime is kissin' time, USA  
So treat me right, don't make me fight  
And we'll rock and roll tonight
