

Ladies in Waiting

Kiss

So you been to the market
And the meat looks good tonight
And the ladies in waiting
Will show you what it's all about

Their selection is inviting
They sure look hot tonight
And the ladies in waiting
Will show you what it's all about

And so you move on down the line
All the ladies are lookin' fine, so fine
Ladies in waiting, ladies in waiting, ladies in waiting

So you move on down the line
All the ladies are lookin' fine

Their selection is inviting
They sure look hot tonight
And the ladies in waiting
Will show you what it's all about

And so you move on down the line
All the ladies are lookin' fine, so fine

Ladies in waiting, ladies in waiting, ladies in waiting
Ladies in waiting, ladies in waiting, ladies in waiting
Ladies in waiting, ladies in waiting, ladies in waiting
Ladies in waiting
