

Milion To One

Kiss

-Baby, now that you've-- made up your mind

I'm gonna --let you go
If that's what it-- takes the-- show, --love is blind
-I gave you the best love you ever had but --wasn't enough

So if you --think you're so smart
Go and-- play with your heart
When you-- walk out the door,
-You'll realize what you --never --did --be--fore

- milion to one
That's-- what it will-- be
- milion to one
There's --someone better than-- me

- milion to one
No, you-- never will --find
-milion to one
Another-- love like --mine

Yeah, we chose our sides
And I've been misunderstood
But everytime I try to open your eyes
I'm damned and I'm no good

Day after day you're further away, I can't take anymore
So it's time that you go, but I want you to know
I won't stand in your way
Deep in my heart I know, girl, you're runnin' away

A milion to one
That's what it will be
A milion to one
There's someone better than me

A milion to one
No you never will find
A milion to one
Another love like mine

-One --of these days, you'll come out of your haze
--No matter-- what you do
-It'll --be too late, somethin' good won't wait-
-Love is runnin'-- out --on --you,

A milion to one, a milion to one

A milion to one
That's what it will be
A milion to one
There's someone better than me

A milion to one
No you never will find
A milion to one
Another love like mine

A milion to one
Listen to your heart, girl
A milion to one
Ouou

A milion to one
No, you never will find
A milion to one
Another love like miiiiine
