

# Nothing Can Keep Me From You

Kiss

Wherever you are, that's where I'm gonna be  
No matter how far, you'll never be that far from me  
Some how I would find you, move Heaven and Earth to be by your side  
Oh I'd walk, this world to walk, beside you

R: No mountain could ever stand between us  
No ocean could ever be that wide  
No river too deep to keep your love from me  
I swear it's the truth  
Nothing Can Keep Me From You

There's no race I would not go to  
No distance would ever be too far  
To keep me away I'd always find a way  
to show you it's true  
Nothing Can Keep Me From You  
Nothing Can Keep Me From You...

I gave you my word; I would be there for you  
And you can be sure there's no mountain that  
I would not move  
Just to lie beside you spend my whole life  
lookin in your eyes  
Yeah I swear, I'm there for you, forever

R: No mountain could...

And I would go anywhere to be anywhere you are  
And I would do anything just to hold you in my arms  
Nothing can stop a love this strong  
Yeah I swear, I'm there, for you forever

R: No mountain could...

There's no race I would not go to  
No distance would ever be too far  
To keep me away I'd always find a way to show  
you it's true  
Nothing Can Keep Me  
No, Nothing Can Keep Me from You  
No mountain, No ocean, No river  
Nothing Can Keep Me from You  
No mountain, No ocean, No river  
Nothing Can Keep Me From You  
No mountain, No ocean, No river  
Nothing Can Keep Me from You.
