

# Russian Roulette

Kiss

Some ladies love me  
Some ladies don't  
But I know what your gonna do  
Even when you say you won't  
I know you want me  
You've got desire  
Out of the frying pan  
Into the fire  
Drawn to the flame  
Your hands are tied  
You wanna take me baby  
All up inside

You feel the hunger  
But it's much too much  
You can look baby  
But you just can't touch

This is Russian Roulette  
One pull of the trigger is all you're gonna get  
My deck is loaded when I like what I see  
You're gonna lose it all eventually

Got me where you want me  
Go on and take a bite  
Open up and let your backbone stiff  
Such a pretty sight  
You try to talk  
But you just can't speak  
Your pulse is strong  
But your knees are weak

You feel the hunger  
But it's much too much  
You can look baby  
But you just can't touch

This is Russian Roulette  
One pull of the trigger is all you're gonna get  
My deck is loaded when I like what I see  
You're gonna lose it all eventually

You feel the hunger  
But it's much too much  
You can look baby  
But you just can't touch

This is Russian Roulette  
One pull of the trigger is all you're gonna get  
The deck is loaded when I like what I see
