

## Say Yeah

Kiss

You (you), you're living your life when you're dreaming  
Late at night (at night) you're hearing my voice in your head (Yeah!)  
But you (but you) can silence your own heavy breathing (Ha!)  
When you try (you try), you wake up alone in your bed  
It's time to see what it's all about  
There's one cure and there's no way out

I don't want hear you might  
There's a fire getting near, a spark's alight  
If you're ready for a wild ride  
Then let me hear you say...

Yeah (yeah, yeah yeah)  
Say yeah (yeah, yeah yeah)

I (I), I feel all the heat when you see me  
And I know (I know) that you're feeling it too (oh yeah!)  
Letting go (letting go) is something that should be so easy  
Hold me close (hold me close), I know what you want when you do  
Your friends are telling you you're better alone  
But you'll regret it when you get back home

I don't want hear you might  
There's a fire getting near, a spark's alight  
If you're ready for a wild ride  
Then let me hear you say...

Yeah (yeah, yeah yeah)  
Say yeah (yeah, yeah yeah)

Who knows where we'll be in the morning  
I know we're here tonight  
Get uptight and it all gets so boring  
It takes two to make it come alive  
Take my hand, kiss your fears goodbye  
There's something here that we can't deny

It's time to see what it's all about  
There's one cure and there's no way out

Well, let me hear you say it  
I want to hear you say it  
Then let me hear you say...

Yeah (yeah, yeah yeah)  
Say yeah (yeah, yeah yeah)

Now I don't want hear you might  
There's a fire getting near, a spark's alight  
If you're ready for a wild ride  
Let me hear you say...

Yeah (yeah, yeah yeah)  
Say yeah (yeah, yeah yeah)  
Say yeah (yeah, yeah yeah)  
Let me hear you say yeah... (yeah, yeah yeah)
