So you think that you've been had  
Well, I'm here to bet ya, street's gonna get ya  
'Cause two out of three ain't bad

Hey man, it's gettin' out of hand  
Cross your heart and hope to die, yeah  
You got yours, I got mine  
Gonna get what's comin' to ya

'Cause the street giveth, yeah  
And the street taketh away  
Where there's no blind justice  
No way, ha

Hey man, don't you understand  
You can run but you can't hide  
There ain't no life after death, so save your breath  
You're gonna be a

Hey man, do you need a hand  
I ain't no blessing in disguise  
Feel the agony and the ecstasy  
It's gonna burn right through ya

'Cause the street giveth, oh yeah

Where there's no blind justice  
No no, no way [(no way)] no way, ow

Life's too short  
So help yourself  
'Cause I don't walk on water

'Cause the street giveth, yeah  
And the street taketh away  
[(Well, the street giveth)] Where there's no blind justice  
There's no blind justice, no  
[(And the street taketh away)] Taketh away

[('Cause the street giveth)] It giveth away  
[(And the street taketh away)] The street taketh away  
[(Well, the street giveth)] So watch your ass, man  
[(And the street taketh away)] Taketh away

[('Cause the street giveth)] It giveth away  
[(And the street taketh away)(Well, the street giveth)(And the street  
taketh away)]
