

Thrills in the Night

Kiss

Early morning, as she wakes from her sleep
is the day that she'll keep
Ties her hair up and her blouse buttoned tight
Gets her work done as she waits for the night

All the people, tell me what would they say
If they knew her, how she hides it away
Locked inside, there's the start of a flame
And the feelings that she never will tame

Ooh, as she's walking around like a mystery
Ooh, there's a woman that nobody sees livin' inside

Thrills in the night, far from the light
Passion taking over
Prices she pays, all through the days
No one really knows her

In the evening when she takes to the street
She goes hunting with a body in heat
And desires she's kept hidden inside
Make her tingle and she knows why she lies

Ooh, as she's walking around like a mystery
Ooh, there's a woman that nobody sees living inside

Thrills in the night, far from the light
Passion taking over
Prices she pays, all through the days
No one really knows her

Thrills in the night, far from the light
Passion taking over
Prices she pays, all through the days
No one really knows her

Ooh, yeah

See the stranger that she's pushing away
As she dresses for the start of a day
And desires she's kept hidden inside
Make her tingle, yeah she knows why she lies

Thrills in the night, far from the light
Passion taking over
Prices she pays, all through the days
No one really knows her

[(Yeah)] Thrills in the night, [(yeah)] far from the light
[(Oh)] Passion taking over
Prices she pays, all through the days
No one really knows her

Thrills in the night, far from the light
Passion taking over
Prices she pays, all through the days
No one really knows her

Thrills in the night
