

# Under the Gun

Kiss

Lookin' for a thrill, you'll get it my way  
Let's hit the highway, I'll take you down  
Shoot out in the night, lookin' for action  
The main attraction is back in town

Press the pedal to the metal  
On your mark, set, go

[(Under the gun)] Do your living on the trigger  
[(Under the gun)] Walk on the wire  
[(Under the gun)] When the stakes are gettin' bigger  
[(Under the gun)] Take aim and fire

I don't need a reason to get crazy  
I'm gettin' crazy and that's enough  
Show me somethin' strange and make it stranger  
I swear that danger runs in my blood

Press the pedal to the metal  
On your mark, set, go  
When the dust begins to settle  
Everybody's gonna know, ha

[(Under the gun)] Do your living on the trigger  
[(Under the gun)] Walk on the wire  
[(Under the gun)] When the stakes are gettin' bigger  
[(Under the gun)] Take aim and fire

Fire  
Fire  
Fire  
Fire, pow

Yeah, there's no speed limit where I'm comin' from  
Let's hit the highway doin' 69

Press the pedal to the metal  
On your mark, set, go  
When the dust begins to settle  
Everybody's gonna know

[(Under the gun)] Do your living on the trigger  
[(Under the gun)] Walk on the wire  
[(Under the gun)] When the stakes are gettin' bigger  
[(Under the gun)] Take aim and fire

[(Under the gun) (Under the gun) (Under the gun) (Under the gun)]

C'mon boys, Fire  
I can't hear you, Fire  
Fire!
