

# While the City Sleeps

Kiss

What goes on behind closed doors  
Private wounds, open sores  
You're your own worst enemy  
And cheap thrills bring you to your knees  
It's thumbs down for someone you know  
And it's easy come and easy go

Burn your bridges, take what you can get  
Go for the throat 'cause you paid your debt  
Livin' well is the best revenge  
So give 'em hell

[(While the city sleeps)]  
Yeah, it's all there in black and white  
[(While the city sleeps)]  
Yeah, through the eye of the needle, gotta thread your life  
[(While the city sleeps)]  
While the city sleeps, yeah

It's a hit or miss, an eye for an eye  
Live for today and don't ask why  
For better or worse, you're bought and sold  
They love you while you're hot  
And leave you when you're cold

So burn your bridges, take what you can get  
Go for the throat 'cause you paid your debt  
Livin' well is the best revenge  
So give 'em hell

[(While the city sleeps)] Yeah  
Better run for your life, take your troubles to the night  
[(While the city sleeps)] Yeah  
Beggars, thieves and losers, there's no relief  
[(While the city sleeps)]  
There's no relief, while the city sleeps  
[(While the city sleeps)]  
Yeah

Burn your bridges, take what you can get  
Go for the throat 'cause you paid your debt  
Livin' well is the best revenge  
So give 'em hell

[(While the city sleeps)]  
While the city sleeps  
[(While the city sleeps)]  
While the city sleeps  
[(While the city sleeps)]  
Yeah, there's no relief

[(While the city sleeps)]
