

Within

Kiss

Cry without tears
See without sight
Night without day
And every day's black as the night

Fly without wings
Feel without touch
Touch without feel
And everywhere nothing is real

I wanna see from within
I wanna be where I've been
I want a truth, not a lie
I wanna live 'fore die

Life without death
World without end
Sleep without dreams
And nothing is quite what it seems

I want something
More than you'll know
Follow myself
And go where you can never go

And I see though my eyes are closed

I wanna see from within
I wanna be where I've been
I want the truth, not a lie
I wanna live 'fore I die

Inside you without your blessing
Inside me is me confessing
Outside you is outside me
And inside there is no guarantee, no

I wanna see from within
I wanna be where I've been
I want a truth, not a lie
I wanna live 'fore I die

See from within
I wanna be where I've been
I want a truth, not a lie
I wanna live 'fore I die

I want something
More than you'll know
Follow myself
And go where you can never go

Cry without tears
Night without day
