

# You're All That I Want

Kiss

You're the only girl I've been dreamin' of  
You're the only woman I ever loved  
I want you to believe it's true  
There's nothing I would rather do  
My heart belongs to you and no one else

You're all that I want  
You're all that I need  
You're all that I see  
You're everything to me  
You're all that I want

And you need to feel my love inside  
And I need to show what I can't hide  
It's something that you just can't fight  
It feels so good it must be right  
There ain't no use in lyin' to myself

You're all that I want  
You're all that I need  
You're all that I see  
You're everything to me

You're all that I feel  
You're my dream come true  
You're my everything  
No matter what you do  
You're all that I want

And if you leave me, don't say goodbye  
'Cause you're all I need to get by

You're all that I want [(all that I want)]  
You're all that I need [(you're all that I need)]  
You're all that I see [(baby, you're all that I see)]  
You're everything to me

You're all that I feel [(all that I feel)]  
You're my dream come true [(my dream come true)]  
You're my everything  
No matter what you do
