

# Doomsday

Kisschasy

cheer up its not yet doomsday  
i wont be gone to long  
let go open your parachute  
the wind guides us into the sun  
the sun

breathe in open your ventilin  
i can see your house from here  
i felt that perfect landing place  
sing out so all below can hear  
can hear  
can hear  
can hear

and didnt you know that this is what i do  
and didnt you know that  
we will lose

and didnt you know that  
this is what i do  
and didnt you know that  
we will lose  
we will lose  
we will lose  
we will lose
